

Huynh Anh Tuan - 01/06/2002

District 7, Ho Chi Minh City | 0848122611 | huynhanhtuan02.tv@gmail.com

Overview

As a Computer Science student, I aspire to learn more practical skills and contribute to businesses. I am particularly interested in the Fullstack Engineer as it aligns with my technical background and career aspirations.

I am excited about the opportunity to work with a team of talented professionals at Grab and to continually learn and grow my skills as a Fullstack Engineer or Data Analyst.

Educations
